

Rimkus Celebrates Ralph Graham's 80th Birthday

On Wednesday, April 11th, the Houston office of Rimkus Consulting Group celebrated the 80th birthday of Senior Vice President and member of the Board of Directors Ralph S. Graham. The occasion was marked by a surprise luncheon with all Houston employees in attendance. Also on hand and part of the surprise were his daughter Cynthia and husband of Cleveland, Ohio. CEO Frank Culberson took on the responsibility of describing Ralph's invaluable contributions to Rimkus over his many years of service and invited everyone back to attend a surprise 90th birthday celebration in another ten years. Chief Operating Officer Gary Markham provided a "gentle roasting" of the honoree to round out the ceremony.

The Rimkus employee of longest tenure, Ralph was recruited in 1985 by founder Bob Rimkus to help him in marketing the services of the very young company. Among his other current duties, Ralph is responsible for the Accounting and Human Resources functions and oversees all litigation efforts for the company.
